## Our Mission

The Friends of the EPL was formed in 1986 with the mission of helping their Local Library.

Why does the library need help? The library provides services for all individuals, families, and organizations within our community. At this time the State and local funding is not enough to support all of the Library's programs and outreach.

The Friends of the EPL members provide financial and community support to help the library. We gather funding through community programs, fundraising events and private donations.

To be a Friend of the Library is to become a Friend to the community.
